Re: March on Washington
August 28, 1963

[REDACTED] b7d
[REDACTED], 109th Intelligence Corps b7C
Group, Richmond, Virginia, was advised of the above information at 6:30 PM on July 27, 1963.

"The Richmond Times-Dispatch" in its issue dated July 28, 1963, in reporting on the above meeting, stated that the letter-writing campaign to Virginia Congressmen "unveiled a new direct action program" adopted by the NAACP.

The article stated that the program "works on the basis of an old fashioned chain letter...and we (NAACP) are visualizing a chain reaction".

The article reported the following as the contents of the letter suggested to be sent to the Congressmen:

"I have not decided whether I shall demonstrate or not. However, my prayers are with those who do. I do not know whether I can stand jail without bail, but I admire those who can. I am not sure that I will be non-violent if I should be attacked for demanding to be treated with simple human dignity. I certainly hope and pray that no relative or friend of mine will be shot in the back as was Medgar Evers, the NAACP Field Secretary in Jackson, Mississippi.

"I can vote! I will vote against you, if you fail to support the President's Civil Rights Program."

A characterization of the Southern Christian Leadership Conference is attached hereto.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE (SCLC)

- The November 19, 1960 issue of "The Richmond Times-Dispatch" reported that approximately sixty Negro church, professional and lay leaders throughout Virginia met on November 18, 1960 in Petersburg, Virginia and organized the Virginia Christian Leadership Conference (VCLC) for the purpose of "bringing about civil rights for all".

It was pointed out that VCLC is an affiliate of the SCLC of Atlanta, Georgia.

The purpose of SCLC was reported to "redeem the soul of America by creating the beloved community through organization, by consent of population, for the purpose of creative protest by education, training, developing leadership based on Christian nonviolent principles".

RE: MARCH ON WASHINGTON,
AUGUST 28, 1963

The July 30, 1963 issue of the Cincinnati Enquirer, a daily newspaper published in Cincinnati, Ohio, contained an article on page 32 captioned, "Cincinnati Clergymen Poised For March on Washington". This article indicated as follows:

Reverend Walter Beck, Chairman of the Cincinnati Council of Churches Special Commission on Religion and Race, stated his group's meeting on July 29, 1963, to recruit clergymen for the March on Washington was a tremendous success. Reverend Beck indicated that about 300 persons filled the Carmel Presbyterian Church, 3549 Reading Road, to hear speakers representing Protestant Clergy, Roman Catholic laymen, Congress of Racial Equality, and the Lay Negro Community.

Beck stated that although the meeting stressed participation in the scheduled March on Washington, August 28, 1963, that this march was not the prime purpose behind the special commission.

Beck indicated that the commission was finding out the identity of people who are interested in making the march, further that at a meeting to be held on July 30, 1963, specific plans can be made.

Reverend Beck promised those in attendance at the meeting that before Norman Hill, a New York representative of the Congress of Racial Equality, leaves town, he would be able to announce some details of the planned march. Reverend Beck stated, however, that his commission was interested in passing national legislation, passing local legislation and changing segregated patterns in local congregations.

ANONYMOUS COMMUNICATION
KEEP ENVELOPE ATTACHED

24 July 1963

March on Washington

John F. Kennedy
President
The White House or U. S. Capitol
Washington 25, D. C.

Sir:

In view of the contemplated march of 100,000 negroes to or in Washington, D. C. on or about 26 August 1963, it is incumbent upon you to issue an executive order granting all Civil Service Federal Employees leave on day of aforementioned march so they may avoid coming in contact with the rabble.

There is no such thing as "peaceful demonstration" in these negro actions creating public disturbances and riots. The millions of dollars cost necessitated by the use of police, troops etc to quell the negro uprisings and the damages occurring from them should be paid out of assessments to each and every negro and a tax refund equivalent to such cost be given to every white person who has or will be subjected to this negro maliciousness.

Their use of Churches for meeting to plan these disturbances, and their so-called praying at public points is nothing short of blasphemy and sacrilege and a mockery to religion. Such "demonstrations" of any sort by the negroes come only from defective minds.

To make a point Mr. Kennedy, if you, Core members or anyone want to mix, live with or associate with negroes, personally, that is up to you, but you cannot make laws, or force the rest of us to do so against our wishes. Individually and as a whole the negroes bear the "curse of Cain" and it will never be eliminated and your efforts and those of your brother Robert Kennedy if continued will bring disaster and bloodshed upon America, to say the least. Neither you and/or the negroes will ever succeed in destroying the white race.

Either you provide the means of keeping the negroes away from us, or see that nothing is done to prevent us from protecting our individual liberties, homes, property etc. in preventing trespass, molestation, annoyance and other harassments.

Hoping this will jolt you out of your complacency, Sir, I am

reflecting the opinions of millions of Americans of white race

Although it appears national leaders of the March on Washington are still in the process of formulating organization and plans, and although only the first edition of the manual setting forth instructions for local groups has been issued, Washington Field by return airtel should furnish the results of over-all surveys, liaison contacts with local officials, and plans arrived at to date for the securing of information concerning the March and for the establishment of coverage of activities in connection with the demonstration.

It appears the National Office of the March on Washington will have to coordinate with its D. C. representatives, specific arrangements and plans for the demonstration itself. New York, through established sources, confidential sources and/or informants, should be alert to keep the Bureau and Washington Field advised of the planning of the National Office.

Washington Field should advise what liaison arrangements and sources have been established with local leaders who represent the March on Washington.

CHRISTIAN CRUSADE (u)

The August 3, 1963, edition of "The Daily Oklahoman", an established newspaper published in Oklahoma City, Oklahoma, contained an article entitled "New President Wanted; Gen. Walker Hits At Mike, Bellmon" (u)

The article, in essence, states as follows: (u)

Former Major General Edwin A. Walker charged Friday in Oklahoma City that Senator Mike Monroney "Wouldn't know a Communist if he were eating breakfast with him." *OKLAHOMA*

The criticism came during an informal press conference held by speakers attending the fifth annual Christian Crusade at the Skirvin Tower Hotel in Oklahoma City.

Walker's remark brought laughter from other speakers present, including Billy James Hargis, crusade director, retired Major George Racey Jordan, president of the Toronto Gold Market, Limited, and Brigadier General Richard B. Moran, retired, Kerrville, Texas.

Robert Welch, founder of the John Birch Society, was not present.

With respect to Governor Bellmon, Walker said the entire group of Christian Crusade participants present was glad Bellmon was elected. Walker added "But he (the governor) said the other day the John Birch Society is leading the attack against Goldwater." He said the governor had better do his homework.

With respect to supporting a presidential candidate, the speakers declined to name a man, indicating their emphasis was not on a man but on a cause.

Billy James Hargis said he believed the racial unrest was being instigated and exploited by Communists. He suggested leaders on both sides should sit down at the local level and negotiate, without any international or federal intervention.

Walker said that Communists are the inspiration behind "all racial disorder, all racial riots, in all disorder, and breakdowns, all riots" from Africa to Mississippi to Laos.

He said the planned mass Negro march in Washington, D.C., is "Mr. Kennedy's march, led by the administration against the Congress."

The article also contains a statement by Jordan warning that Russia is now on a "gold ruble" standard, seeking to replace the U. S. dollar as the world's monetary measuring stick. He said "the quickest way to wreck this country is to break the financial integrity of the dollar."

Also present at the conference was Luis V. Manrara, Miami, Florida, president of The Truth About Cuba Committee, Inc.

This article states that approximately 1,000 persons are expected to attend its sessions, which end Sunday, August 4, 1963.

NEW PRESIDENT WANTED

Gen. Walker Hits At Mike, Bellmon

Sen. Mike Monroney "wouldn't know a Communist if he were eating breakfast with him," former Maj. Gen. Edwin Walker charged Friday in Oklahoma City.

The criticism came during an informal press conference held by speakers attending the fifth annual Christian Crusade at the Skirvin Tower Hotel.

Walker's remark brought laughter from other speakers present, including Billy James Hargis, crusade director, retired Maj. George Racey Jordan, president of the Toronto Gold Market, Ltd., and Brig. Gen. Richard B. Moran, retired, Kerrville, Texas.

Not present was the Crusade's keynote speaker, Robert Welch, founder of the John Birch Society, whose plane was delayed in Tulsa. Gov. Bellmon also drew Walker's attack, though

Walker said the "entire group" of Christian Crusade participants present was glad Bellmon was elected.

"But he (the governor) said the other day the John Birch Society is leading the attack against Goldwater.

"I think your governor had better do his homework," Walker added.

Asked if there were a presidential candidate the Crusade would support, speakers declined to name a man.

"Our emphasis is on a cause, not a man," Hargis said. "We don't like dictators and we don't like to put all our hopes on one man."

Walker said he would be for "the best American."

Dr. Charles Poling, Arizona minister who said he is a long-time friend of Barry Goldwater, said there was "no one here wise

enough to name a candidate now."

Getting a new president would solve the nation's racial troubles, Walker said, calling Kennedy's proposed civil rights bill a "social rights" bill.

Hargis said he believed the racial unrest was being instigated and exploited by Communists.

"Leaders on both sides should sit down at the local level and negotiate, without any international or federal intervention," he suggested.

Discussing Communists, Walker said they are the inspiration behind "all racial disorder, all racial riots, in all disorder, all breakdowns, all riots" from Africa to Mississippi to Laos.

He said the planned mass Negro march in Washington, D. C., is "Mr. Kennedy's march, led by the ad-

ministration against the Congress."

Jordan, who said he witnessed the shipping of uranium and U. S. currency engraving plates to Russia during World War II, warned that Russia now is on a "gold ruble" standard, seeking to replace the U. S. dollar as the world's monetary measuring stick.

"Fiscal alcoholics and compulsive spenders in Washington" are responsible for intentionally taking the purchasing power of the dollar down, he said.

"They want to turn this into a one-world action under the United Nations," he said.

"The quickest way to wreck this country is to break the financial integrity of the dollar," Jordan said.

Also present at Friday's conference was Louis V. Manrara, Miami, Fla., president of The Truth About Cuba Committee, Inc.

The Crusade is expected to draw about 1,000 persons during its sessions which end Sunday.

FEDERAL BUREAU OF INVESTIGATION

Newark, New Jersey

MARCH ON WASHINGTON
August 28, 1963

"The Newark Evening News", dated August 5, 1963, reflected an article captioned, "North Jersey Group Plans for March On Washington" Over 1,500 Expected. The article in part reflects that the North Jersey Coordinating Committee of the March On Washington discussed plans yesterday to accommodate not less than fifteen hundred persons from this section of the State who will March On Washington on August 28, 1963.

About thirty persons began arrangements for bus and railroad transportation to Washington and for the conduct and security of the demonstrators while there. A survey of the unemployed will be made, with a view to providing free transportation to several hundred such persons.

Tickets will be on sale at barber shops and beauty parlors, whose proprietors will be asked to remain closed on the day of the "March" as an expression of their moral support.

Mayors in the New Jersey area will be asked to proclaim August 28, 1963, as "Freedom Day".

Frederick Robinson, of the Passaic Chapter of CORE, is enlisting volunteers for a special squad which will walk the entire distance to Washington. He has six volunteers at present. They will leave New Jersey a week ahead of the planned caravan which will travel mainly by buses.

Re Miami teletype to Bureau, Washington Field and
Oklahoma City 7/29/63.

Enclosed are an article entitled "Christian Crusader Plasts Agreement on A-Test Ban", and original and nine copies of a LHM concerning criticism of the U.S.-Russian-British test ban agreement by BILLY JAMES HARGIS, founder of Christian Crusade. One copy of LHM is enclosed for Miami and Washington Field Offices.

As stated in retel the Fifth Annual Conference (Convention) of Christian Crusade is scheduled to be held August 2-4, 1963, at the Skirvin Hotel, Oklahoma City, Oklahoma.

It should be noted the original name of sponsoring organization was Christian Echoes National Ministry, Inc., a charitable organization legally chartered under the state laws of the State of Oklahoma. It has as its official publication the monthly magazine, "Christian Crusade". The organization is now commonly referred to as the Christian Crusade organization. The organization occupies offices at 219 South Boston, Tulsa, Oklahoma. The organization was formed by Reverend BILLY JAMES HARGIS who considers himself an evangelist. The organization has for several years been

active as an anti-communist organization. [REDACTED] b7C

It is noted retel states one of the purposes of the conference (8/2-4/63) will be to discuss policy and strategy for "patriots" to take home regarding the August 28 (1963) March on Washington. In view of the fact this is the Fifth Annual Convention of this organization and this has been planned at least since 6/11/63 it is considered that although it is likely the topic of the March on Washington will be included in the agenda of the convention, it probably was not one of the purposes of scheduling the convention. The Fourth Annual Convention was held in Tulsa, Oklahoma, on August 3-5, 1962.

For the information and consideration of the Bureau it should be noted the Youth Council of the NAACP has announced through the local press they plan a protest demonstration on August 4, 1963, at the Wedgewood Village Amusement Park. The demonstration will be in protest of the amusement park owner's announcement on 7/24/63, that after operating his park for thirty days on an integrated basis, he found it necessary to set up a procedure whereby the park would be integrated on a one day per week basis. The park owner announced that effective immediately the park would be fully integrated on Thursdays only.

In view of the fact retel indicates some of the "patriots" who plan to be in attendance at the Christian Crusade Conference plan also to be in Washington, D.C. for the March on Washington, it is considered they may likewise decide to appear at the scheduled NAACP Youth Council demonstration in Oklahoma City, scheduled for the last day of their convention, i.e. 8/4/63.

Information copies of this communication and enclosed LHM being furnished Miami and Washington Field in view of their interest this matter.

OC 157-158

REQUEST OF BUREAU: In view of allegations retel concerning the group's interest in the March on Washington and the scheduled NAACP demonstration in Oklahoma City on 8/4/63, it is suggested Bureau consider authorizing the Oklahoma City Office to discreetly arrange for live coverage of the 8/2-4/63 Christian Crusade Fifth Annual Conference.

CHRISTIAN CRUSADE

The July 29, 1963, edition of "The Daily Oklahoman", an established newspaper published at Oklahoma City, Oklahoma, contains an article entitled, "Christian Crusader Blasts A-Test Ban".

The article in essence states as follows:

Billy James Hargis, Tulsa evangelist, branded the U.S.-Russian-British test ban agreement as another deceit by Averell Harriman. Hargis, in making his comments, was speaking before a rally of approximately one-hundred persons at the Calvary Tabernacle, 1813 N.W. 2nd Street in Oklahoma City on July 28, 1963. The rally was held in advance of the Christian Crusade convention scheduled to be held August 2-4, 1963, at the Skirvin Hotel in Oklahoma City.

Hargis stated he felt the greatest need in the U.S. is a spiritual and patriotic awakening. He claimed the Communist timetable calls for taking over the U. S. in two years and it is the business of the church to be in the forefront of the battle. He stated he still believed we can whip "Communism, liberalism, internationalism, world government, or what you call it".

Hargis stated Harriman "sold out the U.S. once before and Harriman knows you can not do business with the Communists. He stated 52 agreements have been made with the Communists since Yalta and 50 have been broken. Now we're going to foolishly disarm while others continue testing. There is no evidence Khrushchev has become a new man. This deal will enable the Communists to catch up. We tied our hands and they go on testing."

Hargis said the last free election in the U.S. will be next year unless a conservative is elected. He said he did not care which political party wins in 1964. He predicted a third U.S. political party would spring up in 1964 if neither party nominated a conservative. He said, "There'll be the biggest political convention in the history of the U.S. if they don't have a conservative. You know why? Because I'm going to help bring it about."

Hargis termed the U.S. Supreme Court decision on prayer as a "dastardly deed" and said the Bible reading decision this year is another "hit and run decision".

Hargis blamed the current racial agitation on the Communists. He then called for the need of a counter-balance for what he termed "a liberal group like the NAACP".

Christian Crusader Blasts Agreement on A-Test Ban

By Ken Bonham

Billy James Hargis, Tulsa evangelist, Sunday branded the U. S. - Russian - British test ban agreement as another deceit by Averell Harriman.

He also warned that "the last free election in the U. S. will be next year," unless a conservative is elected.

Hargis spoke at a rally attended by about 100 at the Calvary Tabernacle, 1813 NW 2, in advance of the August 2-4 Christian Crusade Convention at Skirvin Hotel.

"I feel the greatest need in the U. S. is a spiritual and patriotic awakening," Hargis declared in the semi-political speech.

Hargis said the Communist timetable calls for taking over the United States in two years and "it is the business of the church to be in the forefront of the battle."

"I still believe we can whip communism, liberalism, internationalism, world government or what you call it," he said.

The evangelist said Harriman "sold out the U. S." once before, and Harriman knows you can not do business with the Communists.

He said 52 agreements have been made with the Communists since Yalta and 50 have been broken.

"Now we're going to foolishly disarm while others continue testing. There is no evidence Khrushchev has become a new man.

"This deal will enable the Communists to catch up. We tied our hands and they go on testing," Hargis said.

The founder of the Christian Crusade said he did not care which political party wins in 1964, "just so that we have a strong thinking

free enterprise man in the White House."

He termed the U. S. Supreme Court decision on prayer two years ago as a "dastardly deed", and said the Bible reading decision this year is another "hit and run decision."

Hargis blamed the current racial agitation on the communists.

He then called for the need of a counterbalance for what he termed "a liberal group like the NAACP."

He predicted a third U. S. political party would spring up in 1964 if neither party nominates a conservative.

"There'll be the biggest political convention in the history of the U. S. if they don't have a conservative.

"You know why?" he asked. "Because I'm going to help bring it about."

Bureau has previously advised Oklahoma City of the necessity for determining whether the conference concerns itself with the August 28 march on Washington and Oklahoma City has been instructed not to conduct any active investigation but to effect coverage through established sources, confidential sources, and informants. Incoming airtel raises question as to whether convention should be covered through [REDACTED] b7D

CHRISTIAN CRUSADE (u)

The August 3, 1963, edition of the "Oklahoma City Times", a daily newspaper published at Oklahoma City, Oklahoma, reflected an article entitled, "Birch Society Founder Talks Here".

The article stated, in part, the following:

The first meeting of the Fifth Annual Christian Crusade national convention was held at the Skirvin Tower Hotel in Oklahoma City on Friday night, August 2nd. Over 30 states were represented at the first night of the convention, with Texas having the largest out-of-state delegation.

"Charles Weber, a local radio pastor, gave a scripture reading followed by a sermon denouncing the United States welfare and foreign aid program...."

Following the prayer, Billy James Hargis, Tulsa, Oklahoma, minister, read off the program.

Robert Welch, founder of the John Birch Society, was introduced as the keynote speaker.

"Welch strung together nearly 20 stories of experiences he has had in his childhood and his travels, with the intent of concluding that 'there's nothing as stupid as government when it comes to stupidity.' Applause was brief, but quick, on that comment....." (u)

The August 4, 1963, edition of "The Sunday Oklahoman", a Sunday newspaper published at Oklahoma City, Oklahoma, reflected an article entitled, "Crusader Rips Church Group".

The article stated, in part, the following:

"The National Council of Churches and America's participation in a test ban treaty came under attack Saturday by speakers at the Christian Crusade, underway in Oklahoma City. Also assailed were the United Nations, both political parties, and the nation's news media. A Cuban exile leader challenged the Organization of American States (OAS) to send armed forces into Cuba, and another speaker former Major General Edwin Walker, was hailed with calls of 'Walker for President'.

CHRISTIAN CRUSADE (u)

"Luis V. Manrara, Miami, Florida, said the OAS has the 'right and obligation' to eradicate Communism from this hemisphere. It is the legal, moral and military answer, he said, and member nations have the power 'to intervene with armed forces in Cuba, collectively or unilaterally.'

B. APPROX 14 "A 26-year-old Wisconsin minister, Reverend David Noebel, Madison, discussed 'The Liberal Papers', a collection of 12 essays edited by James Roosevelt and authored by persons working in or with the Kennedy administration. He said the suggestion in the book for America's foreign and domestic policies closely follow a list of Communist goals. 'These ideas are being used by the Kennedy administration,' Noebel said.....

"Dr. Charles S. Poling, Wickenburg, Arizona, retired Presbyterian minister, accused most ministers in the United States of having 'greater devotion to the National Council of Churches than they do in God. The National Council has become the most deeply-entrenched, well organized socialist political party America has ever known,' he said....

"A retired general...told the crowd the Soviet Union will not honor the recent test ban treaty any longer than the treaty can be used to its own advantage. Brigadier General (Retired) Richard B. Moran, Kerrville, Texas, said of 52 treaties Russia has entered into with the United States, the Soviets have broken 50 of them. (u)

"Former Major General Walker hit the test ban treaty, politics, and the press. 'Why must there be a test ban treaty?' he asked. 'We never agreed with anybody to arm in the first place. This is incredible. This reason is treason,' he said.

"Sounding like a candidate for political office, Walker hit at the Republican and Democratic parties, claiming they both have 'no choice' platforms.

" 'The platform to vote for is the one of the man against the UN,' he said. 'If you're not for him, you're not voting for survival...survival is the basic issue.'

CHRISTIAN CRUSADE (u)

"Walker said he's a member of one party, 'the people's party of America, and I'm sure 75 percent of the people are in it, too.'

" 'What am I doing?' Walker asked, 'I'm propagandizing and agitating.' As the crowd began to applaud, he asked, 'Do you like it?' and was met with an ovation and scattered cries of 'Walker for President'."

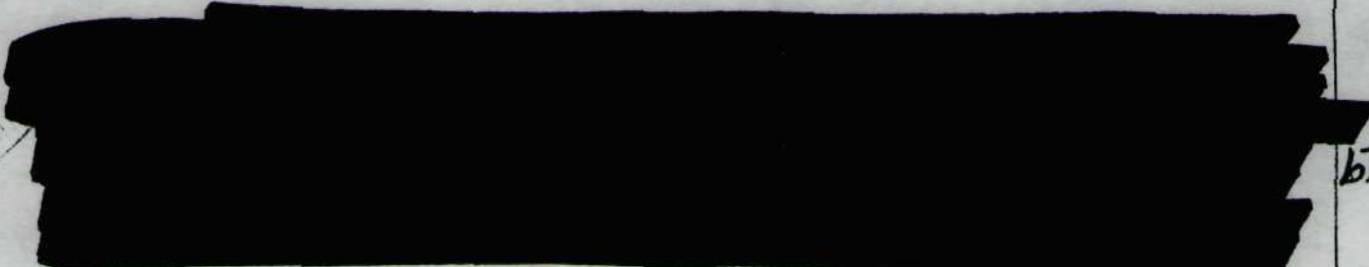

The August 5, 1963, edition of "The Daily Oklahoman" reflects that FULTON LEWIS, JR. was a speaker at the Sunday meeting of the Christian Crusade in Oklahoma City. The article quoted Lewis as stating the conservatives, "split into little groups", should unite to "substitute a new president in the White House." He told conservatives to "get rid of schism, nit-picking, disagreements on little tiny details and fancy theories (and) get behind a candidate or principle which has the courage to break the Kennedy family hierarchy."

The article relates that about 550 persons in the Skirvin Tower attending the convention heard Lewis blast civil service and foreign service programs, claiming the Kennedy administration keeps the federal payroll big for vote-getting purposes.

The article reflects LEWIS endorsed Senator Barry Goldwater for President and depicted President Kennedy as a "pleasant, superficial playboy who has no more business being president than I have being God."

LEWIS was quoted as saying that to fight the international Communist conspiracy, the average person "can vote against Mr. Kennedy for re-election."

This article indicated that the Christian Crusade ended its three-day session on the night of August 4, 1963.

Re: March on Washington, August 28, 1963

She advised that buses in the main will be used to transport the people, but that the committee needed donations to help defray the expenses of persons who may be interested in going but unable to pay the fare. She advised that the Long Island Coordinating Committee expects to be given a designated point of assembly when they arrive in the early morning of August 28, 1963, from the National Office of the March on Washington.

According to [REDACTED] the Long Island Coordinating Committee group will depart from Washington at the conclusion of the program on August 28, 1963, and return to Nassau County, Long Island, New York. She advised that the Long Island Coordinating Committee is considering extending invitations to Congressional representatives from Nassau County to visit the group, if possible, when they arrive in Washington.

[REDACTED] advised that the following church groups have endorsed their program, namely:

Long Island Presbytery's Commission on Religion and Race; the Unitarian-Universalist Church of Central Nassau, mentioned above, as well as certain Episcopal clergymen and rabbis associated with some temples in Nassau County, whose names she did not know, have also endorsed the March.

[REDACTED] stated that the purpose of the "Long Island Coordinating Committee's March on Washington" is to gain the support of the Congressional representatives to pass the Civil Rights bill and to demand more legislation for equal job opportunities.

[REDACTED] advised that final plans regarding the number of persons to attend the March or the number of buses involved have not been formulated to date, but that such plans will be arranged in the immediate future.

Re: March on Washington
August 28, 1963
Racial Matters

The August 6, 1963, edition of the Evening Journal, a daily newspaper published in Wilmington, Delaware, contained an article entitled "1,000 Delawareans Expected To Take Part in 'Rights' March."

The article set out that Mrs. James W. Williams is the secretary of the march committee, and that an estimated figure of 1000 has been set for the number of individuals from the Wilmington, Delaware, area to participate in the August 28th civil rights march on Washington. Arrangements have been made for a round trip to Washington, D.C., by bus for a fare of \$3.00. Buses are scheduled to leave Rodney Square, Wilmington, approximately 7:00 a.m., August 28, 1963.

The committee, of which Mrs. Williams is the secretary, plans to conduct meetings every Monday night at the West Presbyterian Church, 8th and Washington Sts., Wilmington, to formulate plans for this march on Washington.

De General Jackson, former chairman of the people's action committee of the National Association for the Advancement of Colored People, Wilmington, is chairman of the march and Leonard L. Williams, a Wilmington attorney, is transportation chairman.

RE: MARCH ON WASHINGTON
AUGUST 28, 1963

The July 27, 1963, issue of the "Waterbury Republican", a Waterbury, Connecticut, daily newspaper, on page three, in an article captioned, "City Group Plans Protest Participation" pointed out that participation in the August 28, 1963 civil rights demonstration in Washington, D.C., was being planned by a delegation from Waterbury, Connecticut, but that travel plans had not been made.

The article revealed that the Reverend JAMES E. MC CALL, President of the Waterbury Chapter, National Association for the Advancement of Colored People (NAACP), stated that transportation arrangements may be discussed during the following week. It was also revealed that at New Haven, Connecticut, the Reverend WILLIAM SLOAN COFFIN, JR., Yale University Chaplain, announced that a special train had been chartered to take 600 negroes and whites from the State of Connecticut to Washington, D.C. This train will leave from Hartford, Connecticut, and will make stops within the State at New Haven, Bridgeport, Norwalk and Stamford.

It was further pointed out that LINWOOD BLAND, JR., President of the New London, Connecticut chapter of the NAACP was "very discouraged" over the response by area residents to go to Washington. He was quoted as having stated that only four individuals, including himself, had volunteered to participate in the Washington march. BLAND further indicated that 500 persons in the Stamford and Norwalk areas had expressed willingness to join in the march.

MARCH ON WASHINGTON
AUGUST 28, 1963

The "New York Times" issue of August 4, 1963, Page 57, contained an article which advised that leaders of the March on Washington Committee met at New York City on August 3, 1963, and that A. Philip Randolph, chairman of the March on Washington Committee expressed the opinion that many more than the 100,000 persons originally expected to participate in the event would be present at Washington, D.C. The August 4, 1963 issue of the "New York Mirror", Page 10, commenting on the same meeting, indicated that A. Philip Randolph predicted that 250,000 persons would participate in the March on Washington at Washington, D.C., on August 28, 1963.

The above-mentioned "New York Times" article of May 4, 1963, reported that four newly named individuals have been added to the March on Washington Committee namely:

Walter Reuther, United Automobile Workers;
The Reverend Eugene Carson Blake of the National Council of Churches;
Rabbi Joachim Prinz of the American Jewish Congress;
Walter Annemann of the National Catholic Council for Inter-Racial Justice.

N Y

The "New York World Telegram and Sun" issue of August 5, 1963, Page one, contained an article concerning certain activities of the March on Washington Committee. This article advised that the committee was taking certain precautions concerning the conduct of the participating marchers. The

MARCH ON WASHINGTON
AUGUST 28, 1963

article indicated that the committee plans to station 500 men in teams of ten, equipped with walkie-talkies and bull horns along the line of march; further that no one will be permitted to march who is not wearing an armed band issued by the March on Washington Committee. Each group traveling to Washington, D.C., will be under the command of a local captain. The article stated that on the morning of August 28, 1963, the marchers will assemble at 51 different locations around Washington, D.C., and congressmen will be invited to come to the various assembly points to receive petitions and to address their constituents. The article stated that the committee hopes to have the March on Washington program concluded at 5:30 p.m.; that it hopes to have all the participants in the March on Washington back in their trains and buses or other transportation facilities, and on their way out of Washington back to their respective home by 7:30 p.m.

The August 3, 1963, issue of the "New York World Telegram and Sun" contained an article which announced that the New York State Association of Elks, IBPOEW, is planning to hold, at noon to midnight, a civil rights rally at the Polo Grounds, New York City, on August 25, 1963, to raise funds for the March on Washington Committee.

The August 6, 1963 issue of the "New York Times" contained an announcement that Mayor Robert F. Wagner of the City of New York had declared August 28, 1963, as "Freedom Day" and that he had instructed all departments of the Civic Administration of the City of New York to allow any employees who wished to participate in the March on Washington to have the day off.

In view of statements of Negro leaders aiming at a goal of 100,000 to 250,000 participants in the March on Washington and in view of the national publicity being afforded this demonstration, it appears desirable at this time to re-emphasize to all SACs of all continental offices their personal responsibility to see that effective coverage of participating groups is continued, and to re-emphasize previous instructions furnished by Bureau airtel to all continental offices 7/18/63 as well as to point out the standard format for field airtels transmitting letterhead memoranda concerning the March.

ACTION:

Attached for approval is an airtel to all continental offices re-emphasizing the need for continued coverage of groups planning to participate in the March on Washington and the need for keeping the Bureau and Washington Field currently advised of pertinent activities.

Airtel to SAC, Albany
RE: MARCH ON WASHINGTON

Preliminary reports received from various divisions indicate a varying response with respect to the number of participants expected to attend, although numbers outlined by national leaders of the March on Washington have ranged from 100,000 to 250,000. A stronger preliminary response has been noted in the New York - Philadelphia area where approximately 12,000 individuals will be traveling to Washington. [REDACTED] In b7d

contrast, for example, is the response from the San Antonio area where contact with [REDACTED] b7d

[REDACTED] indicates no known organizational plans to send participants although it appears demonstrations may be organized on August 28, 1963, in the form of marches to the State Capitol.

Each continental office without fail must submit an airtel to reach the Bureau by August 18, 1963, providing a summary of groups attending or planning to attend. In the event liaison with your sources and/or information from informants indicate no known participants are traveling from your division, such information is to be furnished in airtel form to reach the Bureau by the deadline date.

You were originally advised that the information concerning participating groups must be promptly furnished the Bureau and to the Washington Field Office by teletype and the information thereafter furnished to the Bureau in letterhead memorandum form suitable for dissemination. This requirement for keeping the Bureau and Washington Field currently advised of developments expeditiously is in no way changed.

In addition to the caption "March on Washington, August 28, 1963, Racial Matters" the airtel due at the Bureau 8/18/63 should bear the subcaption "Summary of Participants," and should contain a synopsis of groups planning to attend. In accordance with previous instructions as an enclosure to the airtel there should be attached a letterhead memorandum suitable for dissemination setting forth the most current details as to the make-up of delegations.

In the cover airtel, following the March on Washington caption and the subcaption, there should be set forth the following in synopsis form under three separate headings:

1. Sponsored participants
2. Hate or Klan groups planning attendance
3. Other organizations planning attendance

Under each of the three headings above there should be set forth in tabular form the following:

<u>Group (Name and Location)</u>	<u>Number of Persons</u>	<u>Mode of Transportation</u>
--------------------------------------	------------------------------	-----------------------------------

It is anticipated that there will be changes in the plans of some groups reaching your informants and sources subsequent to August 14, the approximate date on which the required airtels will be clearing division offices to reach the Bureau August 15. You will, of course, be expected to maintain source and informant coverage of the March on Washington up to and including the date of the August 28, 1963, demonstration as well as thereafter (should various delegations desire to send subsequent groups to Washington to demonstrate while Congress is considering civil rights legislation). Such changes in the possible plans of local groups received by you subsequent to the submission of the first summary should thereafter be transmitted to the Bureau utilizing the format outlined above except that each succeeding airtel in addition to carrying the subcaption "Participant Summary" should also alongside this subcaption bear the notation "Supplement."

MARCH ON WASHINGTON
August 28, 1963
Racial Matter

The Morning Edition of the Boston Globe, a daily newspaper published in Boston, Massachusetts, carried an article under the byline of George M. Collins, captioned "Twenty-five to Join Rights Session." The article reads as follows:

"Twenty-five Bay Staters, including four religious leaders, will travel to Washington Tuesday to participate in a three-day "grass-roots" strategy conference on civil rights.

"The session is meant to serve as a prelude to the planned Aug. 28 "March on Washington" when 250,000 persons are expected to converge on the Capitol in support of President Kennedy's proposed civil rights program.

"The Mass. delegation will join hundreds of civil rights supporters who will be in Washington through Thursday lobbying for passage of the administration's program.

17225
"The four clergymen, who represent Jewish, Protestant and Roman Catholic Bay Staters are: Rev. Wayne Horvath of the Massachusetts Council of Churches; Msgr. Edmund F. Hackett, special representative of Cardinal Cushing; Rabbi Albert S. Goldstein of the Massachusetts Board of Rabbis and Rev. John Snow of Christ Church, Cambridge.

"More Bay State clergy are expected to take part in the Aug. 28 demonstrations. The United Church of Christ launched a campaign this weekend to interest as many members of the denomination as possible, either in direct participation or in a letter writing campaign.

7/25/68
"Every local chairman of the Social Action committees and all clergymen received letters from Rev. Dr. Ray Gibbons, director of the United Church for Christian Social Action urging them to take part in the drive for racial equality.

"The National Council of Churches reported Sunday that it expects more than 40,000 representatives of member churches will be among the quarter million expected in the nation's capital.

"The 'grass roots' meetings this week have a three-fold purpose: personal contact Tuesday with U. S. senators from each state; personal contact on Wednesday by congressional district delegates with their U. S. representatives; meetings at the Hotel Statler-Hilton, Washington, Thursday to discuss the results of the meetings with congressmen and to plan follow-up actions before the Aug. 28 meetings.

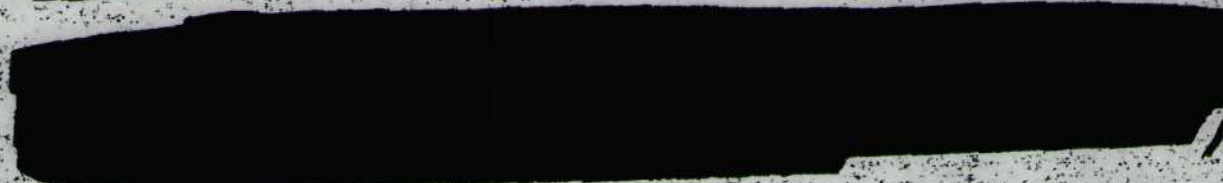

"The Massachusetts group will concentrate on Sen. ~~Leverett~~ Saltonstall Tuesday according to Archie Epps, assistant to the executive secretary of the Boston Branch of the N.A.A.C.P.

Archie Epps
"We have heard that Sen. Saltonstall will not support the public accommodations phase of the Civil Rights Bill," said Epps, "and we want to discuss this with Mr. Saltonstall."

"After the meetings this week," he continued "we hope to inform the public, especially those who will take part in the August 28 march to Washington, just where their congressmen stand on this issue."

"The 25 Bay Staters, other than the clergymen, will come from each of the state's congressional districts, he said.

11205 S.
"Among Greater Bostonians with the clergymen will be: Mrs. George Ireland, president of the Federation of Republican Women of Massachusetts; Prof. Mark DeWolfe Howe of Harvard Law School, Dr. Martin Peretz of Harvard University; Mr. and Mrs. H. M. Mann, special representatives of Frederick Dumaine, chairman of the Republican State Committee; Atty. Glendora Mackelhane, Mrs. Melnia Cass, past president of the Boston Branch, N.A.A.C.P.; Otto Snowden of Freedom House; Mrs. Florence Castleman, Dr. Jaimia Perry, Tommy Blunt, president of the Youth Council of the Boston Branch, N.A.A.C.P. and Epps."

WASHINGTON--PRESIDENT KENNEDY TODAY ENDORSED PLANS BY NEGRO LEADERS FOR A MASSIVE INTEGRATION DEMONSTRATION IN WASHINGTON NEXT MONTH AS BEING IN "THE GREAT TRADITION" OF AMERICAN LIBERTY.

HE TOLD A NEWS CONFERENCE HE IS LOOKING FORWARD TO BEING IN THE CAPITAL WHEN THE AUG. 28 MARCH ON BEHALF OF CIVIL RIGHTS LEGISLATION OCCURS.

AT THE SAME TIME, KENNEDY CAUTIONED ANEW AGAINST PROTEST EFFORTS WHICH MIGHT PROVOKE VIOLENCE.

HE TOLD A QUESTIONER THAT THE AUG. 28 DEMONSTRATION THAT MAY BRING BETWEEN 100,000 AND 200,000 NEGROES AND INTEGRATION ADVOCATES TO THE CITY IS SHAPING UP AS "A PEACEFUL ASSEMBLY CALLING FOR REDRESS OF GRIEVANCES."

ADD 1 KENNEDY-NEGROES WASHINGTON (UPI-139)

KENNEDY ANSWERED GOV. ROSS BARNETT OF MISSISSIPPI'S CHARGE THAT COMMUNISTS ARE BEHIND PRESENT RACIAL DEMONSTRATIONS BY SAYING THAT THIS ARGUMENT PROVIDES "A CONVENIENT SCAPEGOAT."

HE SAID THERE WAS NO EVIDENCE THAT ANY LEADERS OF THE CIVIL RIGHTS MOVEMENT WERE COMMUNISTS OR THAT THE DEMONSTRATIONS WERE COMMUNIST-INSPIRED, ALTHOUGH COMMUNISTS MAY HAVE PARTICIPATED. THE EASIEST WAY TO DEAL WITH THE PROBLEM, HE SAID, IS TO ACT TO REDRESS GRIEVANCES.

TO A QUESTION AS TO WHETHER HE WOULD REPUDIATE SEGREGATIONISM IN THE 1964 CAMPAIGN, KENNEDY SAID THE ADMINISTRATION RECORD WOULD BE SO WELL KNOWN ON THIS ISSUE THAT THERE WOULD BE NO DIFFICULTY IN IDENTIFYING THE DEMOCRATIC PARTY'S STAND. ON THE BASIS OF HISTORY, HE SAID, HE WOULD EXPECT THE REPUBLICAN PARTY TO TAKE A SIMILAR STAND ON CIVIL RIGHTS.

The article states, in part, that Reverend Ben Hill, president of the Tulsa NAACP, announced that some 80 Tulsa Negroes plan a trip to Washington, D. C., in two chartered buses to take part in the scheduled demonstration in Washington on August 28, 1963, to promote civil rights legislation. One bus will be occupied by adult Negroes, about one-third of whom will be unemployed. The second bus will be occupied by Negro teen-agers and young adults who are members of the Youth Council of the Tulsa NAACP. As the Bureau is aware the plans for captioned affair are fluctuating on a day to day basis as reflected by periodic releases by the National Headquarters of the March. Accordingly, WFO's overall plan of coverage is at this time fluid and will be adjusted accordingly to fit the changes as they develop. As experienced during the 6/14/63 demonstration in Washington, D. C., changes were made by leaders up to the last hour and during the affair. However, following is WFO's overall thinking at this time regarding coverage of the 8/28/63 demonstration.

The August 31, 1963, issue of "Newday", a Nassau County, New York, daily newspaper published at Garden City, Long Island, New York, contained a feature story captioned "40 LI Groups to Join D.C. Rights March". The article stated in part as follows:

"Garden City - Representatives of 40 Long Island groups will meet here tomorrow to plan a massive participation by Long Islanders in the Aug. 28 civil rights march on Washington. Tentative plans call for the chartering of buses, planes and trains to transport thousands of persons to the capital.

The groups will be coordinated by the newly-formed March on Washington Long Island Coordinating Committee. Attending were Long Islanders active in civil rights work and officials of the national committee. One of those who attended, Mrs. Elsie Gilman of Great Neck, said the new committee would elect officers and begin planning for the march at tomorrow's meeting.

Mrs. Gilman, a member of the new group's steering committee, said: "We expect thousands of persons to go", she said. She said that the Long Island Presbytery's Commission on Religion and Race had announced that Presbyterian ministers would urge their 31,000 parishioners to join the march.

Mrs. Gilman said that the commission, 17 local committees of the Long Island Council for Integrated Housing

CHRISTIAN CRUSADE (u)

The August 3, 1963, edition of "The Daily Oklahoman", a daily newspaper published at Oklahoma City, Oklahoma, reflected an article entitled, "Big Government Ripped by Welch".

The article stated, in part, the following:

"The greatest tragedy of the 20th century is the increase of 'swollen over-extended' government everywhere, Robert Welch, founder of the John Birch Society, said Friday night in Oklahoma City. Speaking to 500 persons attending his keynote address of the Christian Crusade, Welch called 'this tragedy' greater than the Communist menace.

" 'Even when composed of honest and intelligent individuals, government combines and increases the stupidity of men. And for a government, the stupid action, stupid course, is almost always the easiest and safest course,' he said.

"When asked if the John Birchers supported a particular candidate for the 1964 presidential election, Welch said the society has 'no position ever in regard to politics.' He indicated a majority of the society probably would back a conservative candidate. (u)

Concerning the nation's racial upheaval, Welch said, "We have a very strong position in that we take absolutely no position. This matter should be left up to local communities to handle.... the federal government has no right to say what local groups should do.

"In summing up his 90-minute talk, Welch was applauded when he said as stupid as people can be, 'none of us anywhere can begin to touch governments when it comes to stupidity. It is the tendency to increasing, swollen, over-extended government that constitutes the greatest tragedy of the 20th century.' Welch said the world's people - except for the communists - 'who, if they are truly communists can't be thought of as human beings in any consideration of humanitarian qualities' - are nearly alike."

[REDACTED], where [REDACTED] is employed, along with several other persons. [REDACTED] and the other persons were introduced to SA [REDACTED], after which a conversation ensued. It may be noted that the subjects of racial trouble, the march on Washington and the activities of GEORGE LINCOLN ROCKWELL of the American Nazi Party are more common than discussion of the weather and since these subjects were brought up by [REDACTED] and the other persons present, SA [REDACTED] took advantage of the opportunity to gather the information set forth in attached LHM. Following is a physical description of [REDACTED] obtained from observation by SA [REDACTED] b7C

[REDACTED]

For Bureau's information, Richmond Division is maintaining close contact with [REDACTED] as well as movements and activities of GEORGE LINCOLN ROCKWELL at Arlington, Va. and Alexandria, Va., and while there is no information available tending to confirm that 15 to 20,000 persons will stage a counter-demonstration, there are rumors that [REDACTED] will join with ANP and efforts are being made in other areas of the U.S. to organize persons to visit Washington, D.C. A separate LHM being sent Bureau on this phase today. b7D

LEADS:

AT ARLINGTON AND ALEXANDRIA, VA.

Will maintain close contact with [REDACTED] and movements and activities of GEORGE LINCOLN ROCKWELL for the purpose of obtaining any information which would tend to confirm or refute report that ROCKWELL and/or ANP have organized 15 to 20,000 white persons to go to Washington, D.C. 8/28/63 and oppose planned Negro demonstrations. b7D

AT LYNCHBURG, VA.

Will maintain contact with [REDACTED] to obtain any additional pertinent info indicating he may be active in any group planning travel to WDC in opposition to above described demonstrations. b7C b7D

RE: MARCH ON WASHINGTON
AUGUST 28, 1963

[REDACTED] b7D

A second source at Lynchburg, Virginia, advised on August 8, 1963, that he had a conversation with [REDACTED] in Lynchburg that date [REDACTED]

[REDACTED] This source advised that the subject of the march on Washington came up during this conversation and [REDACTED] stated he had heard that there were several thousand white people going to Washington, D.C. on August 28, 1963, but he doubted that this would accomplish anything since the authorities would not let the whites demonstrate there on that day due to the planned demonstrations of Negroes. [REDACTED] complained that the so-called right-wing leaders and people of that persuasion could not make a speech any more due to opposition from Communist and leftist groups throughout the United States but that Communists, left-wingers and Negroes were permitted to make speeches wherever they wanted to. [REDACTED] mentioned that in his opinion LINCOLN ROCKWELL, leader of the American Nazi Party, was a "third grade national socialist" who merely has a racket to get money and it is the opinion of [REDACTED] that ROCKWELL is subsidized by B'nai B'rith to justify the existence of B'nai B'rith in its purported fight against racial discrimination in the United States. [REDACTED] stated that he had no organizational affiliations at present, is only trying to make a living for himself and his family and could not afford to become involved in any suspect group for fear of losing the livelihood of his family. He further offered the opinion that if a large group of white people did go into Washington on August 28, 1963, [REDACTED] b7C

RE: MARCH ON WASHINGTON
AUGUST 28, 1963

with the idea of opposing the demonstration planned by Negroes, this could be a very explosive situation, but reiterated that he did not believe any such group of white persons would be allowed to interfere.

DATE: August 5, 1963

FROM : N. P. Callahan

SUBJECT: MARCH ON WASHINGTON
AUGUST 28, 1963
RACIAL MATTERS

ALL INFORMATION CONTAINED

HEREIN IS UNCLASSIFIED

DATE 5/7/86 BY 9A8BJ/RBG

Memorandum of A. Rosen to Mr. Belmont captioned as above dated July 30, 1963, called attention to possible security precautions which might be placed into effect should any demonstrations occur in the Federal Triangle area in connection with the march on Washington, August 28, 1963, from 10 a.m. to 5 p.m. Purpose of this memorandum is to consider the suggestion of the Laboratory Division that some Seat of Government Bureau automobiles should be dispersed away from the building so that any bottling up may be prevented.

The Administrative Division maintains 15 Bureau automobiles in the Justice Building courtyard in addition to three automobiles and six carryalls used exclusively by courier service of Files and Communications Division. In addition to this, one Bureau automobile is maintained in the basement garage of Identification Division Building and three Bureau automobiles at Riddell Building.

Any recommendation relative to the three automobiles and six carryalls used by courier service would, of course, originate with Files and Communications Division. Of principal concern in this memorandum are the 15 remaining automobiles in the courtyard area. Our experience has been that the majority of these automobiles are charged out for official use and leave the courtyard area prior to 10 a.m. each day. Based on present indications of the activity which will take place on August 28 in connection with the march on Washington, it does not appear that any dispersal of these automobiles should be made prior to their being placed into use on the morning of August 28. It would seem that any congestion or bottling up of the building would occur, if at all, later in the day. Accordingly, I think the best procedure would be that as these automobiles are charged out for use on the morning of August 28, instructions be given to each user that prior to returning to the Justice Building with the Bureau automobile, he should call the car register on extension 346 for instructions as to whether to return the Bureau automobile to the Justice Building courtyard or place it in some other storage area, as for example the Capitol Garage, 13th and New York Avenues, Northwest, Washington, D.C. This is the contract garage utilized by the Washington Field Office and current indications are that that garage is located outside of the proposed demonstration area.

CHRISTIAN CRUSADE

The August 5, 1963, evening edition of the "Oklahoma City Times," a daily newspaper published at Oklahoma City, Oklahoma, reflects an article entitled, "Convention Demands Rights Turmoil Probe."

The articles states, in part, the following:

A double-edged congressional investigation of reported Communist participation in America racial strife was demanded in closing meetings of the Christian Crusade in Oklahoma City Sunday night. A formal resolution called upon the House Un-American Activities Committee and the Senate Internal Security Committee to conduct the studies "for the purpose of revealing the true facts" behind current conflicts.

Dr. Billy James Hargis, founder of the Crusade, was quoted as saying, "We recognize racial problems exist that must be corrected, but we do not believe that massive disregard of law or mob rule are the correct methods in a free America."

The article stated the resolutions also lash out at use of United States tax money to print a pamphlet issued by United Nations which "attempted to prove that racial equality exists behind the iron curtain. Our funds were used to print Soviet propaganda, written by admitted Soviet authors."

Hargis said the Christian Crusade is now distributing a book called "Color, Communism, and Common Sense," written by Manning Johnson, a Negro who quit the Communist Party after rising to become the head of its affairs in this country.

Hargis claims racial strife was planned in the 1920's, and that Johnson outlines the exact program which is now being followed to "create civil war in this country that will weaken us until we'll be easy prey for Communism."

Convention Demands Rights Turmoil Probe

By Gilbert Hill
A double-edged congressional investigation of alleged Communist participation in American racial strife was demanded in closing meetings of the Christian Crusade in Oklahoma City Sunday night.

A formal resolution called upon the house un-American activities committee and the senate internal security committee to conduct the studies "for the purpose of revealing the true facts" behind current conflicts.

1,300 Delegates

The convention attracted 1,300 registered delegates from 38 states.

"We recognize racial problems exist that must be corrected," said Dr. Billy James Hargis, Crusade founder. "But we do not believe that massive disregard of law or mob rule are the correct methods in a free America."

The resolutions also lash out at use of U. S. tax money to print a pamphlet issued by United Nations which "attempted to prove that racial equality exists behind the iron curtain." "Our funds were used to print Soviet propaganda

written by admitted Soviet authors."

The Christian Crusade is now distributing a book called "Color, Communism, and Common Sense," written by Manning Johnson, a Negro who quit the Communist Party after rising to become the head of its affairs in this country, said Hargis.

Awards Given

Hargis claims present racial strife was planned in the 1920's, and that Johnson outlines the exact program which is now being followed to "create civil war in this country that will weaken us until we'll be easy prey for Communism."

Crusade awards were presented to U. S. Rep. James B. Utt, California; Dr. George J. Harris, Bunker Hill, Ill.; Robert Dilley, Des Moines; radio station

WGCB, Red Lion, Penn., owned by John Norris; the Borger News Herald, Borger, Texas; Fulton Lewis Jr., radio commentator; Gen. Richard B. Mortan; Layman Cameron, San Antonio; A. B. McReynolds, Brandon, Fla.; former Maj. Gen. Edwin Walker; and Dr. Charles Poling.

Re: March On Washington
August 28, 1963

The August 8, 1963, edition of "The Saginaw News" local daily newspaper published at Saginaw, Michigan, contained an article revealing that on Sunday, August 11, 1963, the Saginaw Chapter of the NAACP is holding a meeting at St. Luke's CME Church, Saginaw. The purpose of this meeting is twofold. (1) To receive reports from Saginaw delegates pertaining to their attendance at the 54th Annual Convention of the NAACP held in Chicago, Illinois, last month. (2) To make plans " ... for Saginaw members of the NAACP to participate in the mass 'March On Washington For Jobs, Freedom, Aug. 28'. A special train from Detroit and a chartered bus from Flint will provide transportation".

With reference to the contemplated "March on Washington 8/28/63," all employees in the Special Investigative Division have been alerted to the need for utmost discretion in their conduct should this march take place. The possibility that some of the participants may be in the Justice Building or in the area of the Justice Building has been emphasized to all of our employees and they have been cautioned to be most circumspect in their conduct both in and out of the Building in order to avoid any possible incident or criticism being leveled at the Bureau. We have also stressed the need for security precautions should there be any persons attempting to enter any of our space. It has also been suggested to employees that they should remain away from the windows and continue in their normal activities.

ACTION:

We, of course, will follow this closely to insure that our plans are maintained on a current basis in order that any eventuality can be properly handled.

MARCH ON WASHINGTON
AUGUST 28, 1963
RACIAL MATTERS

On August 9, 1963 the Houston Press carried an article captioned "100 Houstonians to Take Part in March on Washington". This article reported that Reverend A. A. McCardell, Minister of a Negro Baptist church in Houston TEX. and President of the Houston chapter of the National Association for the Advancement of Colored People (NAACP), had just returned from Washington, D. C. and announced plans to take a delegation of 100 Houstonians to Washington, D. C. on August 28, 1963. McCardell stated his group could take many more people but he felt 100 would be a "conservative number". McCardell also stated his organization had made special arrangements to insure that the entire demonstration would be peaceful.

This article reported the Houston participants would travel to Washington in chartered Greyhound buses. Plans are for this group to leave Houston early on August 26, 1963 and arrive at Washington on August 27, 1963. It was announced the Houston group would stay at the Statler-Hilton Hotel while in Washington. McCardell added that his group would leave Washington for return to Houston either on the evening of August 28, 1963 or on the morning of August 29, 1963, depending on how tired his delegates were.

RE: MARCH ON WASHINGTON
AUGUST 28, 1963
RACIAL MATTERS

McCardell reported that he expected his group to be a bi-racial group inasmuch as he had already had inquiries from several white members. He stated each person would pay his own expenses and the names of those planning to go would be announced after they were selected.

On August 9, 1963, the Houston Chronicle carried a similar article announcing 100 persons would leave Houston at 6:00 A.M. on August 26, 1963 by bus to take part in the civil rights demonstration in Washington, D. C. on August 28, 1963. In this article, Reverend McCardell, mentioned above, announced that a special meeting of the Houston chapter of the NAACP had been called for Tuesday night, August 13, 1963 at the chapter headquarters, 2320 Dowling Street, Houston, Texas, to discuss this trip and work out the details. Reverend McCardell, identified as Pastor of the Pleasant Grove Baptist Church, was quoted as stating he had just returned from Washington where he had conferred with civil rights leaders and with Texas Senators and Representatives. McCardell stated he had a number of excellent conferences and remarked, "We found some of the Congressmen we thought were against us actually were not".

March On Washington
August 28, 1963
Racial Matters

The New York daily Spanish-language newspaper, "El Diario-La Prensa", of July 26, 1963, contains an article reflecting that the Puerto Rican Commission for Community Planning (PRCCP) has as one of its activities, participation in the March on Washington, August 28, 1963.

The article states that the PRCCP was born out of the maximum organization of the Puerto Rican-Spanish-speaking colony of New York and has as its primary motivation, the battle for human dignity leading to equality and the recognition of human rights.

On July 24, 1963, leaders of the Puerto Rican community comprising a group appointed by the Sub-Committee Pro March on Washington under sponsorship of the PRCCP, met with Jose Monserrat, Director, Employment and Migration Bureau, Commonwealth of Puerto Rico, 322 West 45th Street, New York City, to make a public announcement of the position of the Puerto Ricans in regard to the present struggle of the Negro race for civil rights. It was decided to draw up a "declaration of principles" and to organize for participation in the March on Washington.

The article concludes by stating that the PRCCP invites the entire Spanish-speaking population to join in the preparation of the PRCCP program for the March on Washington.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.
